

Certificate of Conformity

We, the undersigned UTEC Sealing Solutions Co., Ltd.,
hereby certify that:

The raw material for ***UTECTAL-1 natural*** and ***UTECTAL-1 black***
stock shapes is in compliance with the compositional requirements
of the appropriate regulation

**21 CFR 177.2470 “Polyoxymethylene copolymer” of Food and
Drug Administration (FDA)**

in the United States of America for plastic materials and articles
intended to come in contact with foodstuff. The material is suitable
for repeated contact with food containing less than 15% alcohol.
